TO: ASA National Fastpitch Pitcher Classification Committee

FROM: John Gouveia, Chair Region 14 Classification Committee

SUBJECT: Classification List

The Region 14 Men's Fastpitch classification committee has reviewed the list published on the ASA web site and respectfully requests that the following changes be made or reviewed:

- 1) Delete anyone on the list rated below "B". ASA only has four levels of classification; Major, A, B and C. There is no need to list C pitchers. If they aren't on the list, they can pitch C. If a local association or region feels that there needs to be a C list for their program, they need to keep it themselves and not muddy up the national list.
- 2) Please review the all-tournament and MVP performers from 2010. For example, the Men's B FP MVP (Garrett Hone) is on the list rated C.
- 3) Correct spelling for Tyson Barkman (not Berkman)
- 4) Chad Boom listed as both Major and B. Are there two Chad Booms?
- 5) Wayne Koshmider listed as both B and C. Are there two?
- 6) Ray Vanieuwhuizen listed as A and B. Both should be deleted. Has not pitched in years.
- 7) Ken Kammueler rated A, Ken Klammueler rated B. Same guy? Attached are minutes showing Kammueler rated B.
- 8) Delete the following names from the list. Many have not been rated B or higher in years. In one case, the listed pitcher is deceased.
